Service and dishwashing available with fee for special events and workshops

**Prices and sample menus on request for Special Event Menus  
And Off-premises Catering services**

## *Stewardship Offerings*

Groups and individuals are asked to donate an hour of their time as a "stewardship offering", or energy gift, towards sustaining the land and *Wellspring*. Volunteers work with our staff in the organic garden, light facility chores, food prep & harvesting. We feel it enriches guest's communal group experience at the center.
